

French Connection Loop

Come and snowmobile Eastern Ontario

The French Connection is one of four tour loops in the Upper Canada Snowmobile Region. The loop is approximately 310 km (193 miles) of pure sledding.

The French Connection Loop can be ridden in one or two days and will take you into an atmosphere of warmth and camaraderie associated with our snowmobile friendly communities. This loop will take you through woodlots, open fields, pipeline corridors and abandoned rail lines.

Accommodations can be found in Morrisburg at the McIntosh Country Inn located on the E105 and nearby at the Iroquois Motel located on the RS4. Accommodation around the loop may also be found at the 31 Inn Motel along the A104 in Winchester and Hammond Hill in Hammond located just off the EOSC 58. Restauparc Motel off the SV42 in Casselman and the White Rock Motel along the Top A in Alexandria are also great stops.

The community of Morrisburg offers restaurants, service stations, automotive garages, a local snowmobile sales and service shop. From Morrisburg, take the E105 to the A104 to get onto the loop.

Heading west, a great stop is Winchester, along the A104 trail, which offers food, fuel, and accommodations. Maybe stop at Metcalfe, along the Top A trail, which offers great food at the Stable Restaurant.

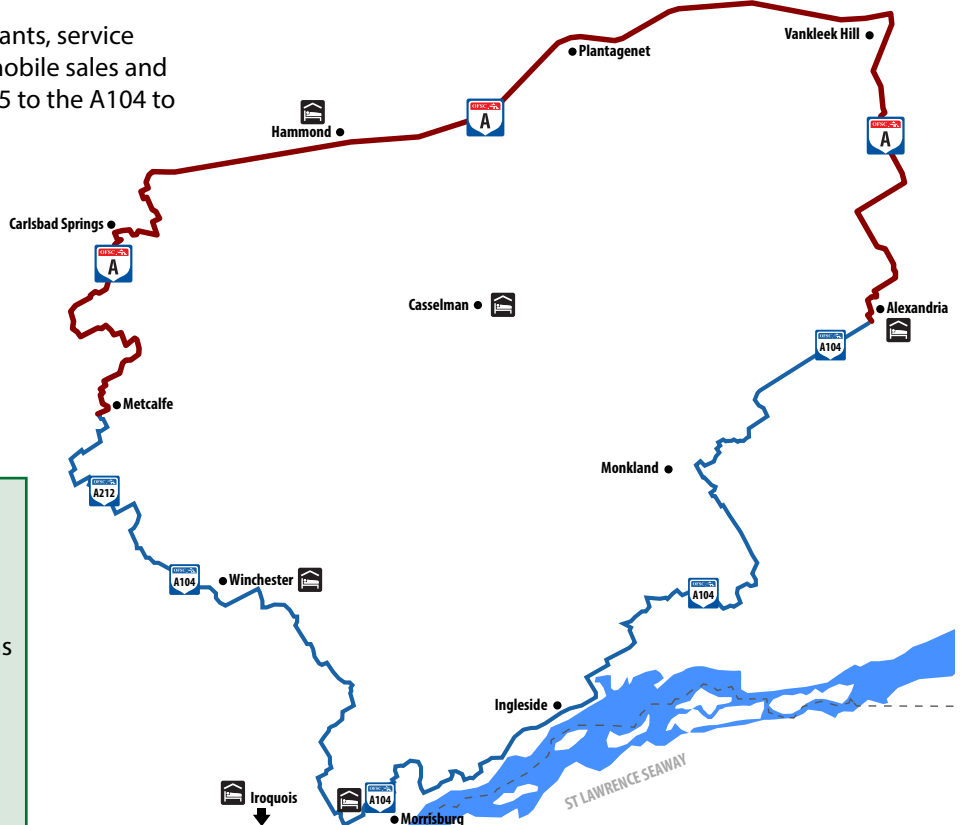

Just after crossing over Hwy 417 along the Top A, you will reach Carlsbad Springs. In

Carlsbad Springs, you will direct access to fuel and food. You will then travel north and where the Top A trail turns east you will be on the famous Prescott-Russell Recreational Trail. This will take you to Vankleek Hill which offers access to fuel and food.

Heading south on the Top A you should stop in Alexandria. Alexandria offers fuel, food and accommodations. For Polaris riders, stop into Murray Motor Sports as the local Polaris dealership.

On your way home you will cross over Hwy 401 for an amazing view. Your last stop before returning home will be the Riverside Snowmobile Club clubhouse located just off he A104 in Riverside Heights Park. Check for hours before going.
